

# Rifugio Mongioie

Attribution : Il rifugio Mongioie (Archivio APAM)

*Located on the large plateau (Pian Rosso) above the town of Viozene, the Mongioie refuge is the ideal starting point for excursions at high altitude. The Mongioie massif (2630m) slopes down towards the refuge with spectacular limestone formations up to 350m high where you can climb beautiful rock.*

*In addition, there are many activities related to the mountain accompanied by typical and seasonal cuisine.*
