

Rifugio Pian delle Gorre

Attribution : Rifugio Pian delle Gorre (Archivio APAM)

Located in the heart of the Alta Valle Pesio and Tanaro Natural Park at an altitude of 1,032m. In summer it can be reached by car, in winter only with skis and snowshoes.

Useful information

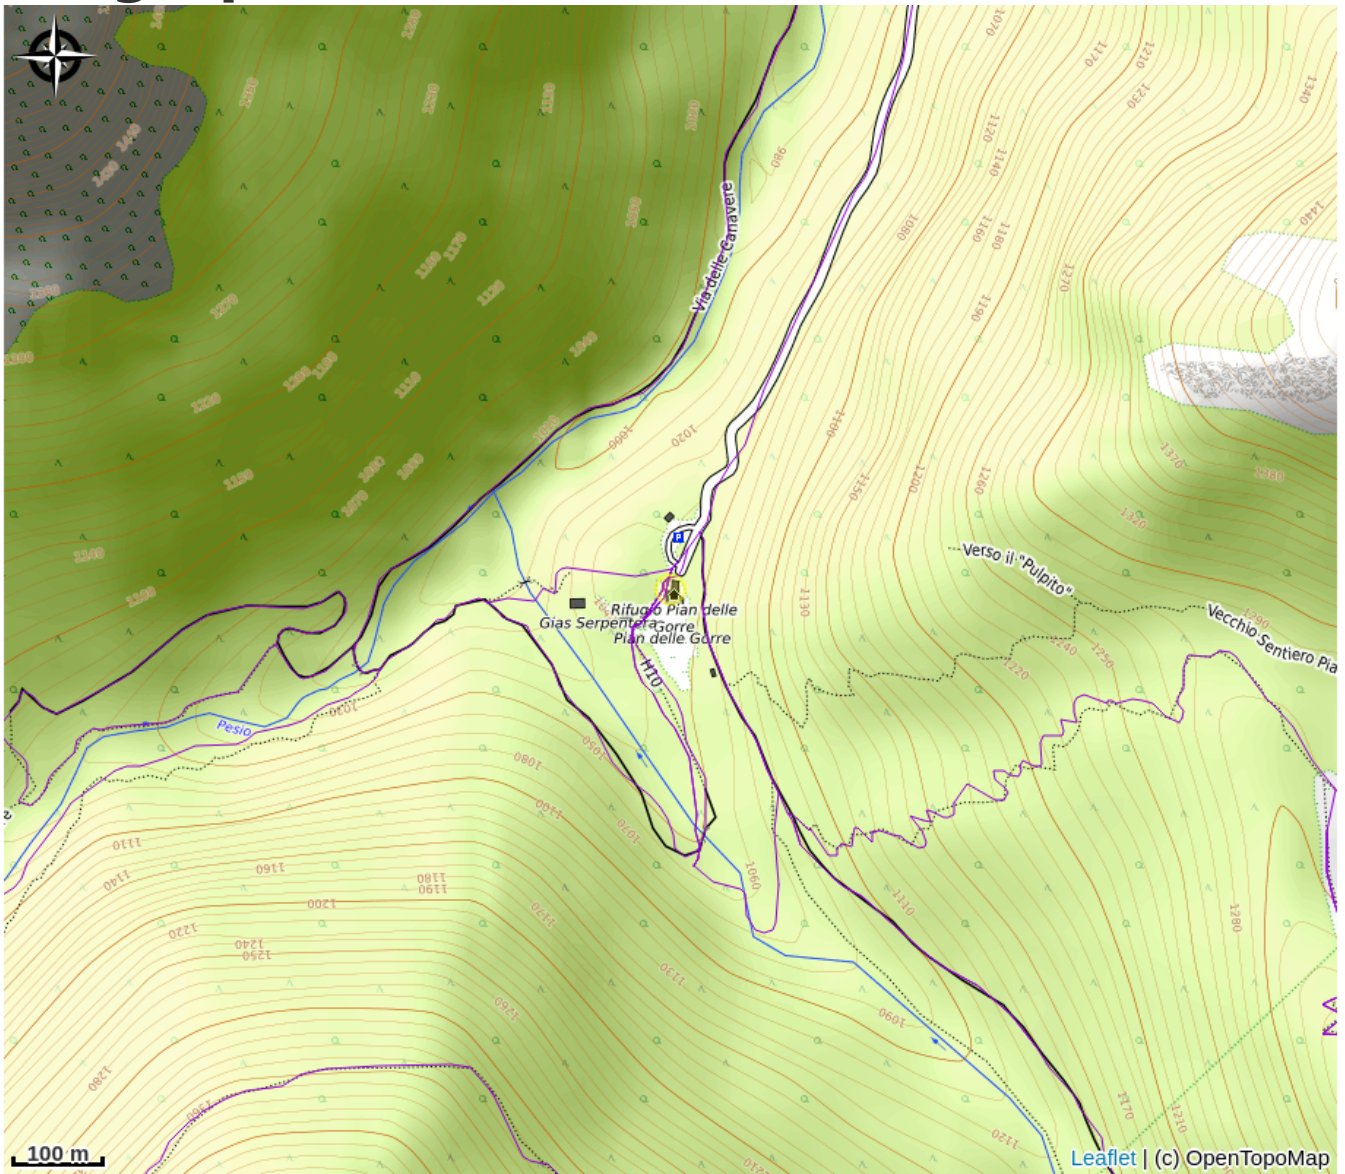

Category : Mountain Hut

Description

Comfortable structure with a large room on the ground floor and comfortable rooms which, due to its position, is particularly suitable for groups who want to enjoy the extraordinary surrounding nature and a welcoming and friendly place.

The refuge is located on the beautiful plateau of Pian delle Gorre, an ideal place for a day outdoors thanks to the ease of access. Numerous itineraries on the park's paths of varying difficulty start from the refuge, including the route of the Marguareis tour. In winter, the property is located on the Pesio valley Nordic ski circuit.
