

Rifugio Chionea

Attribution : Il Rif. Chionea (Archivio APAM)

The refuge is located in the village of Chionea, the largest in the municipality of Ormea, in Alta Val Tanaro.

The landscape is dominated by Pizzo d'Ormea (2476 m), one of the first peaks of the Ligurian Alps, which offers many opportunities to appreciate the unspoiled nature that surrounds us, both in winter and in summer.

From the top, on clear days, the view reaches the sea.
