

Rifugio del Balùr

Parco Naturale Alpi Marittime

Attribution : L'ambiente del Rifugio Balur (Archivio APAM)

The refuge is located on Mount Balùr in an area within the Alpi Marittime Natural Park.

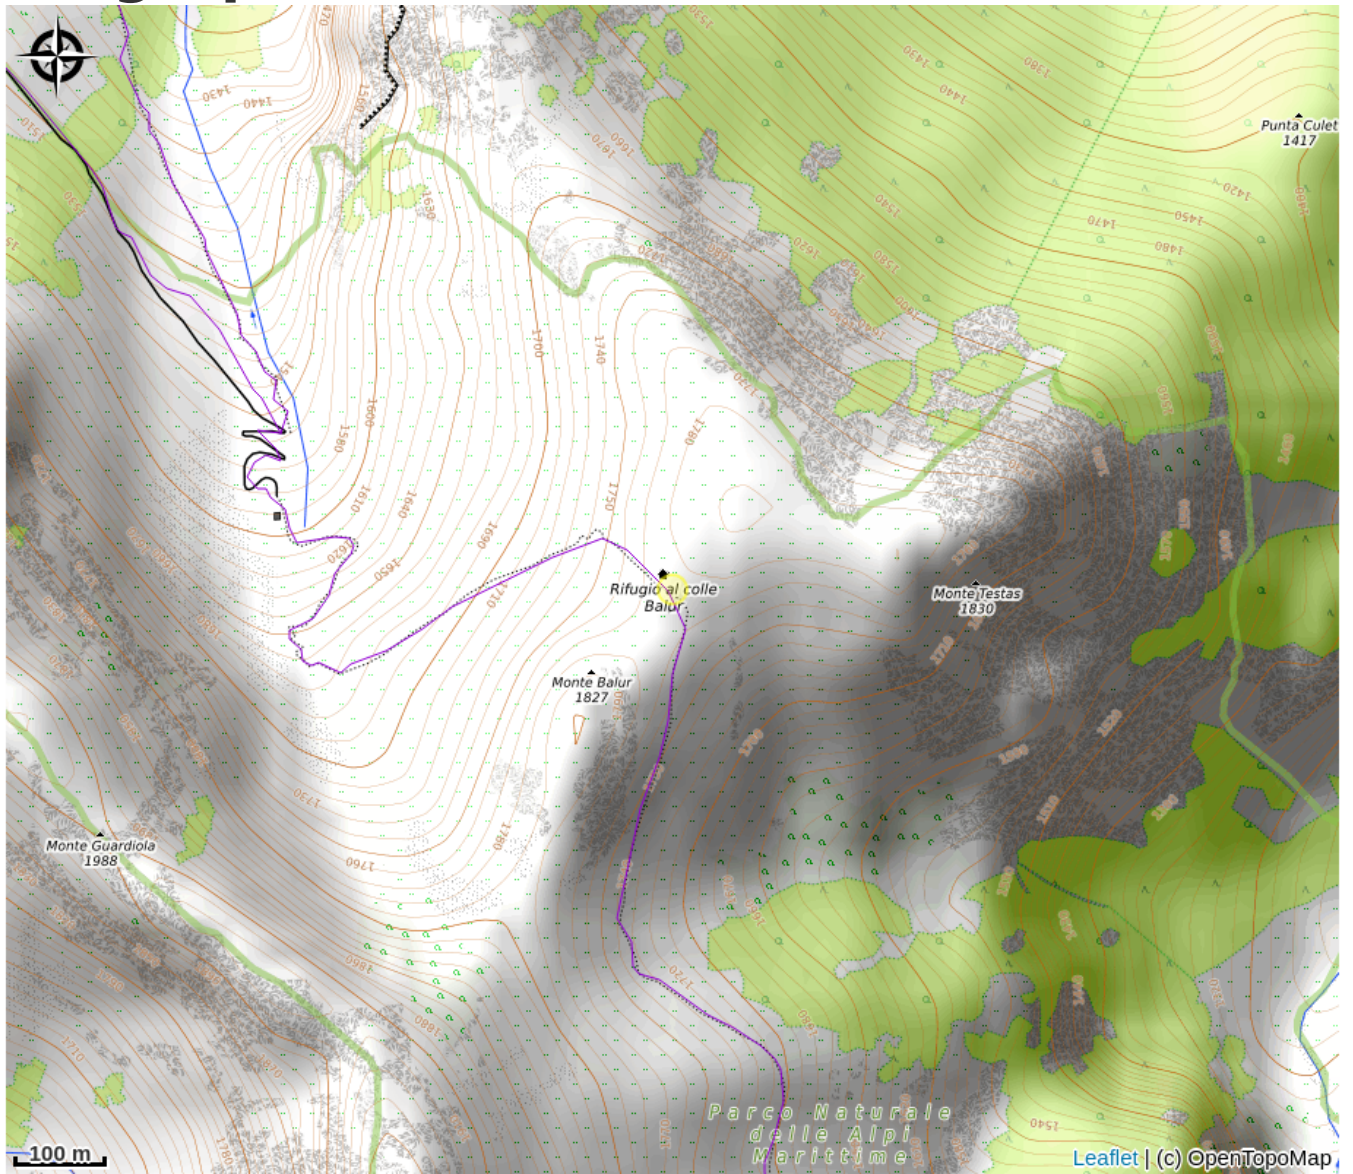

Useful information

Category : Mountain Hut

Description

The Balur Refuge is located near Colle Balur, which is located in Valle Gesso, more precisely in the side valley of Roaschia, a few km south of the town. It divides Monte Balur (1827 m) from Monte Testas (1830 m) and offers a remarkable panorama of nearby Bisalta and, on the opposite side, of Monte Bussaia and Punta del Van.

Geographical location

All useful information
