

# Rifugio Morelli Buzzi

Parco Naturale Alpi Marittime

Attribution : LE refuge Genova (Augusto Rivelli)

*The Morelli-Buzzi refuge is a structure built by the Cai of Cuneo in 1931, enlarged in 2000 and completely modernized in three phases between 2010 and 2012.*

*It is located in the enchanting Vallone di Lourousa at 2351m above sea level, in the heart of the Maritime Alps Park, at the foot of the north face of Monte Stella, the highest in the Maritime Alps.*

## Useful information

Category : Mountain Hut

# Description

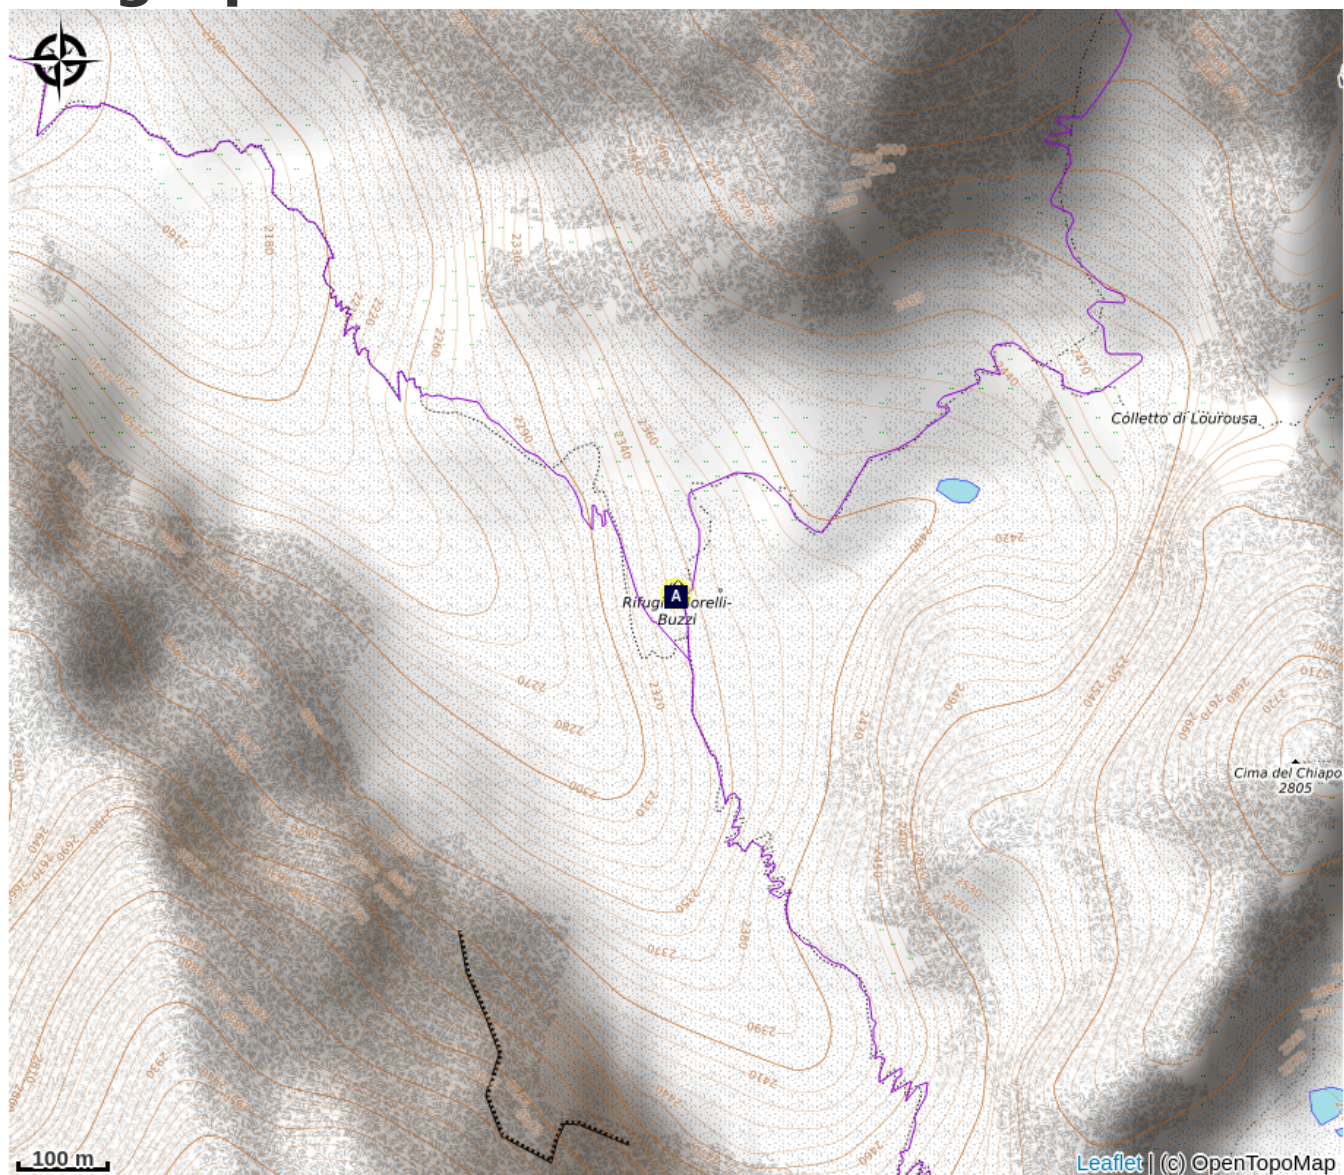

The structure is divided over 3 floors and offers guests 40 beds divided into 3 dormitories plus an emergency winter shelter with 8 places. It has toilets, showers with hot water, heating, telephone service and satellite internet connection

From the refuge, in addition to the possibility of accessing various peaks (Argentera north and south, Monte Stella, Cima Oriol, Cima Mondini, Gruppo delle Aste) and to make traverses towards the other refuges of the Park, there are many mountain routes for climbers perfectly equipped.

For those who are interested in resting, on the other hand, they can do so in the company of the ibexes that are easily visible in the surroundings of the refuge, enjoying breathtaking sunsets on Mount Matto.
