Useful information

Category : Mountain Hut

The Regina Elena Refuge, located in the Alpi Marittime Natural Park at 1,850 meters above sea level, equipped with 14 beds with use of the kitchen, operates in the summer period thanks to the voluntary work of the Members of the National Alpine Association - Genoa section.

Description

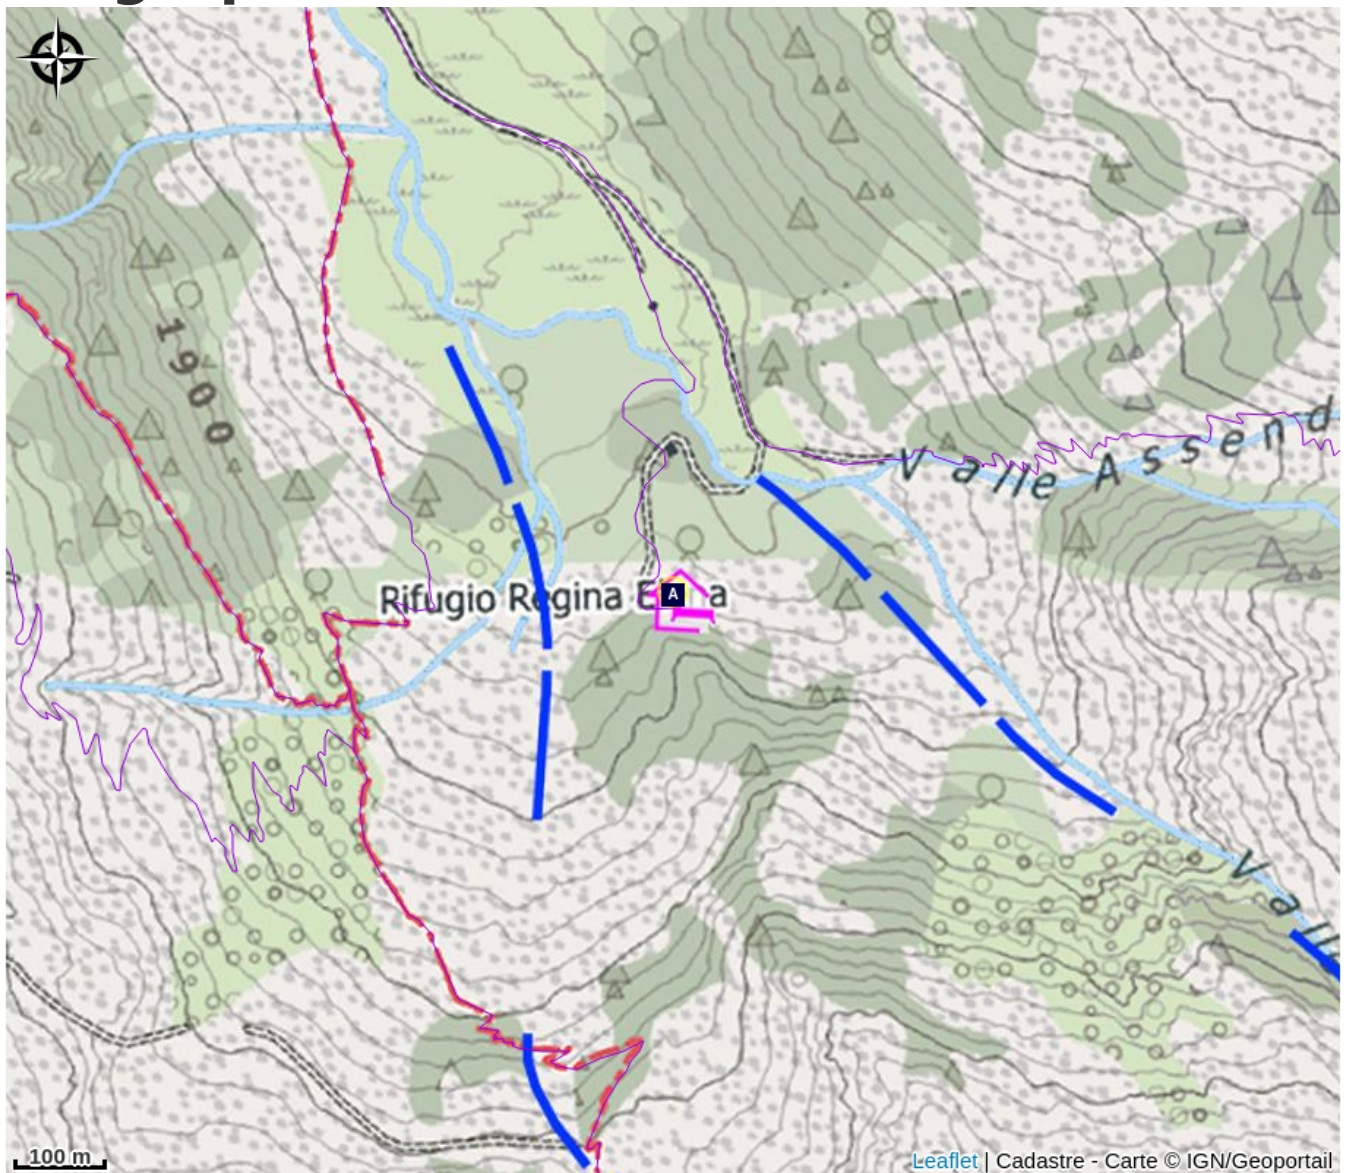

It is located beyond Pian della Casa del Re, in the municipality of Valdieri in the province of Cuneo.

The refuge is open from mid-June to the entire first fortnight of September and does not provide restaurant service, use of the kitchen is permitted.

It is advisable to call (+39 0171 97559) before a possible visit to be sure that the Refuge is open. In case of need and prior notice, you can use the off-road vehicle service provided at the Refuge.

It is the starting point for numerous ascents, even daring ones (Argentera Group, Cima Mercantour, Cima di Nasta, Madre di Dio, Cima di Fremamorta).
